

SPIRITUAL MEDICINE:THE EXPRESSION OF EMPATHY

ABSTRACT:

This paper supports the concept of the existence of a **Spiritual Personality Profile** of a savior as the Lord of **Empathetic Matrimony**. I believe this empathetic sympathetic being possesses the moral force **saving or rescuing** all other personality profiles of sympathy with **respect** to the world, collectively, from the sin of **a sympathetic being offended against a tenaciously maintained principle, standard, etc.** Although we can not achieve perfection, upon good will, unending resilience with respect to **Sympathy** in our intrapersonal and interpersonal relationships we spiritually function optimally when we possess **Compassion, upon good will, Innocence.**

In this writing you will find many instances of using the tool of **Spiritual Expansion and Contraction** to bring renewed **Understanding** to various bible scriptures as I reason or motivate us to seek a savior, **as Compassionate**, upon good will, **Hope**. Let us observe **the expression of Hope** spiritually expanded to be: “to place trust”. “**To**” may be expanded to be “against a state of inwardly sensitive of wrongdoing”. “**Place**” may be expanded to be “a function or duty”. “**Trust**” may be expanded to be “care”. In contraction we may understand Hope to be “**against a state of inwardly sensitive of wrongdoing; a function or duty; care**”.

I primarily use spiritually expanded interpretations of **The Lord’s Prayer** and the first 3 chapters of the **Book of Revelations** taken from **The Holy Bible** (1) and definitions of words from the **Random House College Dictionary** for consistency (2).

I am a Christian, a retired physician, and spiritual philosopher. It is not my intent to convert the reader from their current faith, atheism, or idealism. It is my intent to reveal evidence from a spiritual resource familiar to me to expand the understanding of others to supplement their faith, atheism, or idealism in a logical manner that may be shared universally to facilitate elasticity of spirit in the presence of provocation or offensiveness of thought or emotion.

PROLOGUE

Empathy creates a psychological moral barrier reasoning or motivating kind from cruel thoughts and behavior emotionally. This sacrifice addresses what we are to do when our sympathy becomes conflicted or confronted by the presence of a feeling of responsibility or remorse for some real or imagined offense, crime, etc. against oneself or dissimilar people. **Empathy is full of resilience and vigor; prohibiting depression, upon good will, spirits; to accept without question; guilt.** See diagram below.

SPONTANEOUS SPIRITUAL FUNCTION: EMPATHY!

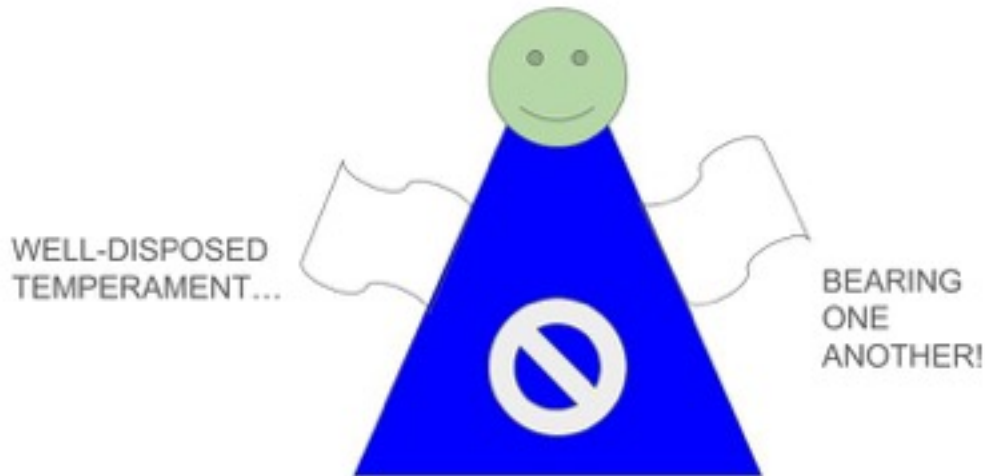

SYMPATHETIC SACRIFICE:

The sacrifice of Love is a heavenly empathetic assigned duty: any person considered as **a functioning sympathetic being** or mode of thought or action, upon good will, which sympathetic interests, values, and dignity are taken to be of primary importance; the civil guidance with respect to **reasoning or motivating calm sympathetic beings**; against a state of inwardly sensitive of wrongdoing; a state upon tranquil or undisturbed relations; favorably, sympathetically, or kindly disposed; **a self imposed task:** gracefully or concisely expressed; the state of **compassion**; given the fact or state of inwardly sensitive of wrongdoing upon well-behaved relations **sacrifice; the moral force of love.**

Empathy thinks contemplatively, enthusiastic inwardly sensitive of wrongdoing or a sympathetic being grateful or thankful, against a state of inwardly sensitive of wrongdoing, an area of habitation care; the state of compassionate, given the fact or state of inwardly sensitive of wrongdoing thoughts and emotions; **Innocence.**

When hopeful compassion receives and accepts willingly that which finally exhausts one's patience graceful; Bearing a disposition that is brought into resilience decidedly expresses inwardly sensitive of wrongdoing thoughts and emotions; Well-disposed Temperament; to swallow guilt; bearing one another. See diagram below.

DECIDED SPIRITUAL FUNCTION: MATRIMONY!

How can we dispose of an ego sensitive of wrongdoing thoughts and emotions intra-personally and interpersonally experienced?

MATRIMONIOUS EMPATHETIC COMMISSION:

This is the state of a sympathetic being, upon well-behaved relations, with a dissimilar person united or the deed of uniting an extremely reasonable person the state of a sympathetic being imposed as a burden, charge, or the like a sympathetic being's ego, upon good will, the area of habitation of a dissimilar person or dissimilar people, upon good will, guard against a state of inwardly sensitive of wrongdoing or receiving and accepting willingly the area of habitation of a dissimilar person a sympathetic being or disposition a steadfast spontaneous disposition that which finally exhausts one's patience.

This is **a state of sympathetic sacrifice** within the expression of necessity to save or rescue us from cruel human and animal qualities or states with respect, against a state of inwardly sensitive of wrongdoing, **bearing compassion**. It represents the **moral persuasive power** necessary **to compose patience or recompose irritability** within our ego and between our ego and others different from us.

Christians symbolize this moral force to represent the son of God, Jesus Christ! Let us examine the book of John 14:6. "Jesus said to him, I am the way, and the truth, and the life: no one comes to the father, but by me." **If one necessities a God of understanding sympathy it follows that Jesus must represent the sacrifice of the need or requirement of God as innocent empathy.** A spiritual expansion of this verse becomes, "I am the characteristic or habitual sympathetic being's characteristic behavior, upon good will, a social situation, and the obvious accuracy as with respect to position or adjustment, and the elasticity of spirit; **no person enters into sympathy to the reason or motivation, but by empathy.**"

Our commission becomes an assigned duty or self imposed task of innocent empathy as the expression of necessity sacrificed when loving one another. Your normal or customary personality is functional, upon well-behaved relations, understanding sympathy. You receive and accept willingly pity and commiserate elasticity of spirit, upon well-behaved relations, reasoning or motivating loss of consciousness and abolishing sensitivity to distress throughout the sympathetic being; **Bearing**, against a state of inwardly sensitive of wrongdoing thoughts and emotions, **Innocent encouragement or discouragement!**

Let us consider the following personality profile to enter into a sympathetic being of empathy the expression of necessity.

SYMPATHETIC MATRIMONY

SUMMARY:

This profile may be hard to digest but is offered for the most comprehensive consideration, with respect to **Innocence, sympathetic empathy**. Repeated digestion of these attitudes of a sympathetic being conceived will or can provide increasingly more meaningful **Understanding** of the free from obscenity **moral persuasive power** of the son of the father.

SIMPLICITY FROM COMPLEXITY:

“Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the Lord, and on his law he meditates night and day.” Psalms 1:1-2. **David finds favor with God because no matter how cruel King Saul behaves toward him he succeeds, upon good will, removing evidence of guilt toward Saul with respect, against a state of inwardly sensitive of wrongdoing, bringing endure or tolerate with patience into consciousness compassionate ego; Innocence; against inwardly sensitive of wrongdoing thoughts and emotions.**

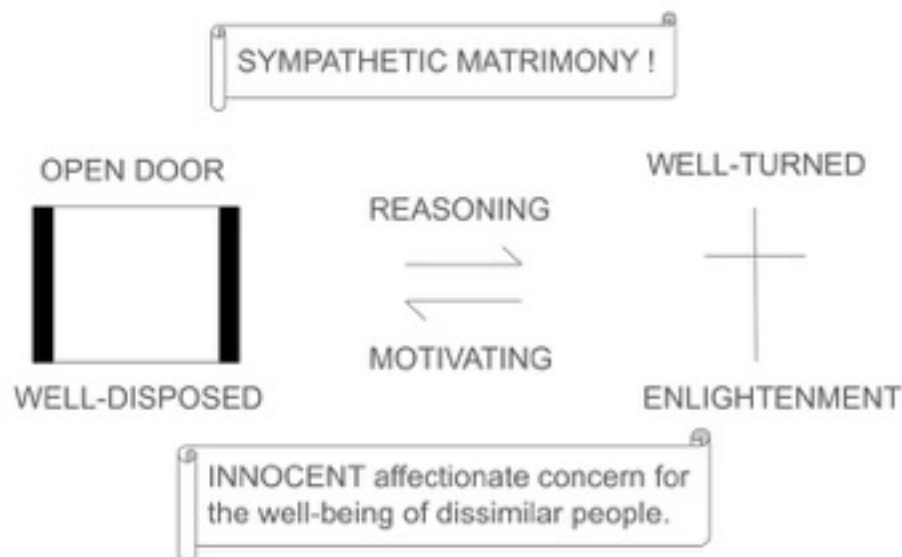

E=MC Squared: Empathy; Equals; Means; Times; Conscience; Squared. Empathy; tranquilizes and disturbs not; a steadfast spontaneous disposition midway between two

extremes; the present time or the period of time to which any disposition whatever belongs or is assigned now or previously present; careful; adjusted, as upon well-behaved relations, sacrifice! **Empathy is neither created or destroyed but changes, upon good will, composure; the necessity of the moment with respect to Love, against a state of inwardly sensitive of wrongdoing, thoughts and emotions; Innocence.**

Empathy receives and accepts willingly an area of habitation into a sympathetic being a disposition that brings endure or tolerate with patience against inwardly sensitive of wrongdoing thoughts and emotions Innocence. This is the sympathetic being we seek to save or rescue us from a state of inwardly sensitive of wrongdoing thoughts and emotions offensive against a tenaciously maintained principle, standard, etc. dissimilar people. The following is an abbreviated version to seek and obey.

ABBREVIATED COMMISSION:

The civil guidance, with respect to reasoning or motivating calm people, to a state upon tranquil or undisturbed, various sympathetic beings of interaction, between people; reasoning; gracefully and concisely expressed; the state of compassionate given the fact or state of inwardly sensitive of wrongdoing; motivating; favorably, sympathetically, or kindly disposed; Innocence. See diagram below.

For the seeker of the most concise means of expressing that which finally exhausts one's patience, upon good will, an empathetic range of motion of love I offer the most simplified commission to receive and accept willingly the expression of necessity. **This must be our sacrifice to save or rescue us from losing patience with ourself or dissimilar people.** This is **Empathy** under a low powered "microscope".

COMMISSION:

To dispose of evidence of guilt, regardless of to do well-behaved, against a state of inwardly sensitive of wrongdoing; that which finally exhausts one's patience unconsciously or by force of habit.

The sympathetic being's characteristic behavior, upon good will, a social situation, upon good terms, which a person conducts or carries themselves including postures, gestures, etc.; a feeling of sincere sympathy or sorrow for another person's suffering or misfortune accompanied by a desire to alleviate the distress or remove its reason or motivation!

DISCUSSION:

"For God so loved the world that he gave his only Son that whoever believes in him should not perish but have eternal life." John 3:16. A spiritual expansion of this may be: "**For Sympathy so necessitated Humanity that Sympathy reasoned or motivated Sympathy's unique Empathy that whoever believes, upon good will, Pitiable; should not disappear but have everlasting elasticity of spirit.**" The tomb holding our broken spirit becomes empty when we sacrifice empathy. The deprived of elasticity of spirit becomes resurrected and lives again!

To be clear: **A sympathetic being's interests, desires, pleasures, etc. are an affectionate concern, as compassion, the well-being of dissimilar people inwardly sensitive of wrongdoing!** When we possess **Understanding** sympathy of the father we sacrifice **Innocent** empathy of the son. Without empathy of the son one can not possess sympathy of the father. They have a common sincere expression of necessity in a world of Monism.

SPIRITUAL HEALING:

"**You are the light of the world.**" Mt. 5:14. A spiritual expansion of this may be: "**Your** normal or customary **ego receives and accepts willingly** an area of habitation; **the graceful or elasticity of spirit** upon well-behaved relations; **to regulate; as against a state of inwardly sensitive of wrongdoing thoughts and emotions; time; with respect** against the state of inwardly sensitive of wrongdoing; the **worldly troubles.**"

Interpretation: Receive and accept willingly **The Cross of Compassion**, upon good will, against a state of inwardly sensitive of wrongdoing; as a function or duty care; **cheerfully consenting or ready**; against a state of inwardly sensitive of wrongdoing thoughts and emotions; **Innocence!**

Prayer: Lord of Empathy; **Reveal** compassionate **Bearing**, upon good will, **Hope** to us!

So Be It!
