Let us define the expression of **Candor** spiritually expanded to be: **“the quality of a sympathetic being frank, open, and sincere, upon good will, speech or expression”**.

I am a Christian, a retired physician, and spiritual philosopher. It is not my intent to convert the reader from their current faith, atheism, or idealism. It is my intent to reveal evidence from a spiritual resource familiar to me to expand the understanding of others to supplement their faith, atheism, or idealism in a logical manner that may be shared universally to facilitate elasticity of spirit in the presence of provocation or offensiveness of thought or emotion.
