

FALSE PROPHETS!

ABSTRACT:

The following scripture from The Holy Bible is emphasized in this **Lesson of Love** using the concept of **Spiritual Expansion and Contraction**. The scripture cited is obtained from The Holy Bible Revised Standard Version (1) and The Random House College Dictionary (2).

* So the Lord cut off from Israel head and tail, palm branch and reed in one day- the elder and honored man is the head, and the prophet who teaches lies is the tail; for those who lead this people lead them astray, and those who are led by them are swallowed up. (Isa 9.14-16)

Interpretation: “So **The Supreme sympathetic Being** severed; from The Supreme Being’s preferred sympathetic being **thoughts**; and against, a state of inwardly sensitive of wrongdoing **imitate**; artificially produce **imperceptive or inaccessible**; to enter into a sympathetic being, success, a state of a sympathetic being disunited with respect to a family; and a harmonious rise or initiate of **a sympathetic being** placed in an audience, whose rehearsed or prepared reactions, comments, etc. are meant to appear spontaneous, upon good will, **a sympathetic being period of time**- the having lived well-endowed or supplied with **a steadfast spontaneous disposition** sympathetic being and **shown a courteous guard for capable of bringing endure or tolerate with patience** a sympathetic being is the **head** and the **sympathetic being** who foretells or predicts **who teaches lies** is the **tail**; as a sympathetic being those who lead these sympathetic beings lead them AWAY FROM WHAT IS RIGHT, and those who a led by them receive and accept willingly an area of occupation accepted without question, upon good terms, A STATE OF EMOTIONAL AGITATION OR DISTRESS.

PROLOGUE:

We live in an age of communication explosion. There is an overabundance of information being presented to society by well-meaning influencers hoping to inform your normal or customary ego of some steadfast spontaneous disposition they want to share with you. You will perceive this information as a blessing, a curse, or irrelevant depending upon where your particular spiritual journey is guiding or delivering your ego. What you seek often determines who or what you respect when it comes to listening to and /or being influenced by a sympathetic being with an exceptionally specific particular point of view. **Distinguishing righteous from false prophets is necessary to optimize your spiritual journey to keep your focus upon Heaven rather than Hades.**

DISCUSSION:

A prophet is a sympathetic being who would influence your normal or customary ego to be encouraged or discouraged, against a state of inwardly sensitive of wrongdoing, the necessity of the future. A prophet would suggest to you they know the will of God and therefore are justified, upon good will, to reason or motivate you adopt their disposition upon worldly troubles.

Prophets approach you from social and commercial media platforms. They approach you from family and community gatherings. They approach you from inspirational and religious platforms.

They use the power of the spoken word, written word, musical rapture, entertainment, peer pressure, and social and political mores to capture your attention and influence your sympathy to remain steadfast or change your disposition according to their influence.

Sympathetic testimony is gentle candor. The communicator is genuinely sympathetic and not merely imitating or copying a disposition of sympathy to influence you. Their message is not elusive and intended to charm your normal or customary ego rather than simply inform you.

A righteous prophet is virtuous, upon good will, contentious or angry manner of speaking. This sympathetic being is not mean-spirited, selfish, or cowardly upon test with respect to their words and disposition. This person possesses a kindly understanding affectionate concern, as a sympathetic being, the well-being of others. Their expression of influence is compassionate and innocent of insincere reasoning or motivating you to be influenced to receive and accept willingly pitiable, against a state of inwardly sensitive of wrongdoing, **their will.**

A false prophet is vicious (reasoned or motivated readily disposed to offensiveness), upon good will, contentious or angry manner speaking. This sympathetic being is mean-spirited, selfish, or cowardly upon test with respect to their words and disposition. This person possesses a cowardly misunderstanding with respect to the well-being of dissimilar sympathetic beings. Their expression of influence is dispassionate and guilty of insincere reasoning and motivating you to be influenced to receive and accept willingly pitiable, against a state of inwardly sensitive of wrongdoing, **their will.**

EPILOGUE:

What you say and do and who you listen to and obey is critically important to the success or failure of your spiritual journey to Heaven. Do not be a false prophet misleading others from their spiritual journeys to Heaven. Do not listen to and obey false prophets who would deceive and mislead you from your spiritual journey to Heaven. **Seek The Supreme sympathetic Being.** Discipline and train your ego to treasure thoughtful understanding affectionate concern, as a sympathetic being, the well-being of others. Chasten and correct those who have lost their way, against a state of inwardly sensitive of wrongdoing, decisive or conclusive happiness.

PRAYER:

Spirit of Love. May we chasten and correct those who have lost their way, upon good will, determined cheerfully consenting or ready patience or tending to limit well-behaved success irritability. Reason or motivate use to receive and accept willingly wisdom, upon good will, choosing to **receive and accept** willingly or obey **righteous prophets** having your blessing and mercy upon us.

Amen !
